

ERIC BETTENS

Bio courte

Eric BETTENS is a Belgian artist, passionate about this music which has shaped his life from a very young age. Today, in addition to write soundtracks for films and the composition of instrumental and orchestral works, he combines electronic and acoustic instruments with sounds captured in nature to compose eclectic and original works which have won him numerous prestigious awards.

Often asked to perform large "light and sound" concerts Eric Bettens mixes various disciplines and techniques with his music (videos, pyrotechnics, lasers, lights, dance ...) in order to offer his audience a varied and quality visual.

Eric Bettens produced 5 albums : **DISCOVERY** (2006), **ENTRE CIEL ET MER** (2009) **EMPREINTE** (2012) et **ANTARCTIC ODYSSEY** (2014). **HORIZON** (2020)
