## SHORT BIOGRAPHY — EPK, Press, Presentations

Creator of emotions and atmospheres, Eric Bettens composes cinematic electronic music that weaves together modern electronics and timeless acoustics. Brought to life on synthesizers, his music crafts immersive sonic landscapes — between orchestral power and electronic odyssey — for concerts, film and live performance. Award-winning from Hollywood to Singapore. From Antarctica to the Arctic, his explorations fuel a music that captures the vertigo of the world.

## VERY SHORT BIOGRAPHY — Spotify, Apple Music, Streaming platforms

Belgian composer Eric Bettens creates cinematic electronic music, brought to life on synthesizers. Since 2001, he crafts immersive sonic landscapes between orchestral power and electronic odyssey — for concerts, film and live performance. Award-winning from Hollywood to Singapore. For fans of Hans Zimmer, Jean-Michel Jarre and Vangelis.
